a **DOVER** company

Continuous inkjet **9712: The true value of innovation**

Designed to MAX your coding experience

Markem-Imaje delivers flexibility and stability with our next-generation Bi-jet model, the 9712. Backed by four-plus decades of building dependable inkjet printers, the breakthrough 9712 incorporates the best of past, present and future-proof improvements so you can adapt easily to changing marketplace needs and **code more or at a faster pace.**

Meticulously engineered and qualified by the most modern methods, the 9712's latest enhancements bring you:

- Technology leaps grounded in time-tested industrial processes for maximized uptime, reduced maintenance
- Cutting-edge design with simplified UI and modular components for easy operation, maintenance or repair
- Clear, customizable, traceable codes that meet customers' growing demand for supply chain visibility

Key benefits

Innovation

Advanced R&D backed by proven industrial processes and methods

- **Intelli'Inks** system ensures optimal coder performance and flexibility when coding different package materials.
- **Intelli'Swap** technology streamlines mechanicals down to swappable modules.
- **Jet Speed Control** technology automatically adjusts ink and printer variables to ensure drop placement, quality and code consistence. Every time.

Efficiency

Prints two times faster or twice the amount of information

- **Compact print capacity** and **Bi-jet printhead properties** allow for extensive coding without altering product branding
- **Intelli'Design** process and a portfolio of rigorously developed ink formulations help reduce consumable consumption and VOC emissions by up to 50% while improving operator safety, well-being and TCO

Digitalization

Convenience only a couple clicks away

- Remote services, including remote diagnostics, allow for a predictive analysis and therefore help maximize uptime, achieve OEE objectives
- Consumable and spare part supply through online portal
- Quick customizable 24-pin interface allows for easy integration in a 4.0 connected environment
